Subject: Presentation to The Restoration Advisory Board
Study Area 08, NUSC Disposal Area
Naval Underwater Warfare Center, Middletown Rhode Island

Dear Mr. Machado:

Enclosed for your records, you will find two copies of presentation slides that were provided to the NAVSTA Newport Restoration Advisory Board (RAB) on September 17, 2003 for the site referenced above. The RAB requested this presentation at the July 16 2003 RAB meeting

Because much of the laboratory results have not yet been received, the presentation was deemed incomplete and the RAB requested an additional briefing to cover the remaining laboratory data at the November meeting which is scheduled for November 19, 2003 at 7:00 PM in the Officers Club, NAVSTA Newport.

If you have any questions regarding this material, or regarding our efforts at NUWC in general, please do not hesitate to contact me.

Very truly yours,

Stephen S. Parker
Project Manager
